ENTRIES ACCEPTED ON THE DAY OR POST TO P O BOX 702, WANGANUI

Warning: Extreme heat conditions can prevail so hydration is paramount!!!

HANDICAP RULES

- **The estimated time will be the guideline that we will use to determine your start time i.e. the slowest estimated time will be the first individual/team to start. The fastest estimated time will be the last to start i.e. if the slowest estimated time is 2 hours 42 min & the fastest 1 hr 42 min, the fastest individual/team will start an hour after the slowest starts!!!**

- **To be eligible for the handicap prizes you must finish within a certain percentage of your estimated time i.e. if we use the 7% guideline then look at the following example:- If your estimated time is 2 hours 30 min & you finish the event in 2 hours 20 min then you are inside the allowable time. If you finish in say 2 hours 10 min then it is likely that you will be ineligible for any handicap prizes as you will have finished 13% inside your time – make sense!!!**

- **The two trophies competed for are donated by the Turakina Highland Games organisers – the Ben Nevis Trophy for the 1st in the run handicap & the St Andrews Shield for the fastest run time.**
